1 2 JAN 1967

The Honorable Hobert S. Kchamere Secretary of Defense The Pentagon Weshington, D. C.

Bear Bon:

I have your letter asking for USIB concurrence in the which your people have computed from the weapone in the MIPP table. It seems to me, however, that this is not a matter on which the USIB can make a usuful costsibution. The question is not really one of intelligance, but of operations analysis. I would think it appropriate, therefore, that we leave this sort of calculation to your experts.

As for the minor corrections to the table, mentioned in your letter, I see no problem, and will inform the USIB sembers that these have been made.

Sincerely,

/s/ Richard Helms

Kichard Helma Director.
